#### SENIOR CLASS POEM

As we stand here, The gates are opening for us; The first of life's mosaic is finished. We are happy, Proud of our accomplishments, And now New vistas spread before our view. We pass through the gates, And they are swinging to. We go forth with courage and joy And yet with a little sadness too. This is the sorrow of parting; It pains to leave old friends, But we shall be undaunted; For there are waiting challenges, New conflicts and new friends; And so we face the future With courageous hearts.

# Dedication

To

Mr. Luther C. Boyer Vice-President

OBSERVER PRINTING HOUSE, INC. CHARLOTTE, NORTH CAROLINA

whose faithful, whole-hearted, and efficient work in devoted services to SNIPS AND CUTS for the past twelve years has played an important part in its success, and whose sincere interest in the students has helped promote better citizenship in our school, we, the staff, with deepest appreciation and gratitude dedicate this,

### Senior Class History

YOUR HONOR:

It is hard for us, the members of the Class of '33, to believe that our high school days are over. Our whole school life has been pleasant, but especially have our high school days been happy ones.

After six years of grammar school, which consisted mainly of the three R's—reading, writing and 'rithmetic—we entered junior high school. Life there was entirely different. We had a different teacher for every subject and a different room for every class. Oh, it was fun! We were extremely loyal to our school, whether it was Piedmont or A. G., and rivalry between Harvard and Yale could not have been keener. Junior high school days were short and happy, and before we realized it we were at Central.

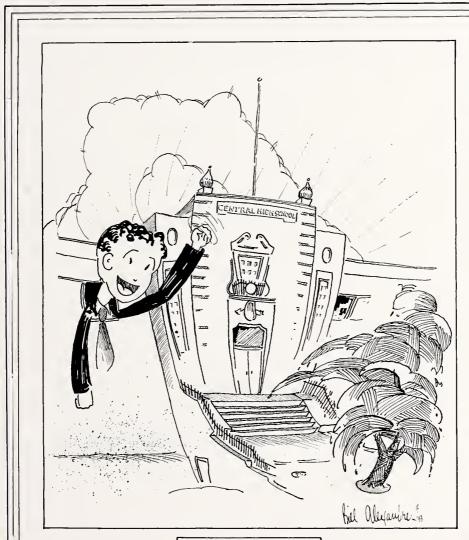

All hard feelings and rivalry which we had felt in junior high school suddenly vanished when we were all pushed about and looked down upon together at Central. Our sophomore presidents were Bill McBryde and Ruth Whitton, and our advisors were Miss Kelly and Miss Wheeler. For our class colors we chose yellow and white, and for our class flower we chose the daisy. Our first year in high school was short and before we knew it school was out and we were no longer Sophomores.

Juniors! Oh that sounded so much bigger than Sophomores! High school was grand now! Nancy Beaty and Alex Copeland were our Junior presidents, and Mr. Hoyle and Miss Clifford were our advisors. As Juniors, we had to face the problem of the Junior-Senior Party and we did not have any money. After adding the money we made from the sale of coat-hangers to the money left from our Sophomore year, we found that we did not have enough money to give the Seniors a banquet. We decided to give the Seniors a variety program, including talented members of the student body. Due mainly to the untiring efforts of Miss Clifford, the "Junior Follies" was a great success. It was glorious being Juniors but we knew that the really big thrill was near at hand.

We were back next fall with a new name—Seniors—sounding bigger and better than we had imagined it could sound. Our position in high school was now an honor and we were justly proud. Although several times our pride was shaken and our anxiety aroused by, "If your English work does not improve you will not graduate," or, "You are simply playing in this class. You need this unit to graduate, but I shall have to fail you." We ordered invitations, rings, and had our pictures made for the Annual. Under the able supervision of Miss Fore, our advisor, and our two excellent presidents, Hall Morrison and Bob Anders, we settled the many details of graduation. We chose our class song, our minister for the commencement sermon, our class gift, and class day officers with everyone happy and satisfied with the results. The money for our class gift, a school flag designed by J. C. Stokes, and the painting of the stage curtain, we raised by sponsoring two successful Reid's Days. We decided to have a different form of graduation exercise from any Central had had previously. We planned a Senior breakfast to be held the morning before the class day exercises. Talented members of the Senior class wrote a pageant, which was presented by other members of our class and directed by our teachers.

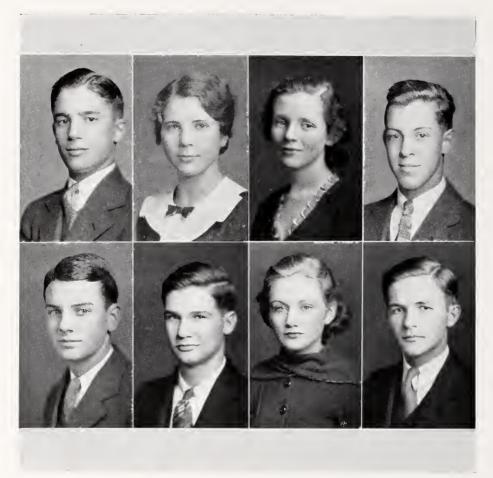

Our days at Central have been happy ones, and it is with a feeling of sadness and regret that we say good-bye. Although we shall never come to Central again as students, our thoughts and hopes will always be for her success. Our parting wish is that the Senior class of '33 be remembered as a class "Gone but not forgotten."

NANCY BEATY, Historian.

### Football

Exhibiting a powerful offensive and a defense as stubborn as Elip ole mare, Coach Walter Skidmore's Charlotte High Wildcats won their third grid State Championship, losing only one game of ten.

The team opened the season with a 39 to 0 win over Hickory and after taking a heart-breaking 12 to 0 licking from Columbia on the latter's field, blazed a trail in nothing less than sensational manner. Teams from Georgia, this state and along the east coast found the Wildcat gridders too tough and went home wagging their tails in defeat. After the Columbia

defeat Charlotte was not scored on again all season.

Atlanta Tech and Central High of Washington, D. C., went down before Skidmore's boys, who wound up the season with a smashing 13 to 0 triumph over Durham for the North Carolina State Championship. Durham exhibited a strong team but could not cope with the Wildcat brigade.

The seasonal record follows:

### Basketball

Taking two perfectly green freshmen and three lettermen regulars, Coach Walter Skidmore wove together another Charlotte High wonder team which capped a season showing 15 wins and only one loss with its third consecutive state title. The season began slow with the offensive and defensive alike showing many flaws. Work and plenty of it finally showed the improvement and by midseason the team ranked along side the McCachren, Bell, Aitken crew of '30-'31.

The five had fairly easy going in the Western Conference, having only one team to give any trouble at all. Salisbury was the crew but in the end went down in two glorious defeats. Clinching the western title by wins over Salisbury, Charlotte met an old enemy in Durham High, who beat the great team in 1930. Durham exhibited a fast and well-coached team but could not go ahead of the long lead built up by the wonderful first half played by Coach Skidmore's boys. Charlotte won the game 25 to 21, despite a desperate attempt of Durham in the final minutes of play. Frank Bell and Earl Ruth played brilliant ball during this hectic battle.

The only loss showing on the Wildcat ledger is the same old Asheville team. The Maroons licked the locals 26 to 25 in Asheville after the Skidmen had polished them off here by a 38 to 18 score.

Coach Skidmore rewarded the boys at the end of the season for winning the title by giving them gold engraved basketballs. Other honors were bestowed on three of the members through the mythical All-State team picked by the coaches of the State. Earl Ruth was a unanimous choice, while Buck Brady and Captain Maurice Peabody easily won places on the five. Frank Bell and Clyde Mullis, other two members of the first string, received honorable mention. Bill McCachren and Dallas Morris received letters, running the lettermen list to seven.

### Track

Despite every obstacle possible to hinder the success of a team, Charlotte High's trackers walked off with their ninth state title in eleven years under the able leadership of Coach Billy Hicks, former student.

At the first of the season, we had no coach, no money and our spirits were low. We were honored by Hick's offer to coach for nothing; we received a small amount of money from the athletic treasurer and the pepper got hot.

After several disappointing exhibitions in early season meets, the locals came through a batch of stiff state competition at Chapel Hill, doubling the score on Durham, their nearest rival.

CAPTAIN PICKARD

A week later they walked off with the Western Conference Meet for the second year in succession with a total of 51 points. The Charlotte boys set records in six events, taking first in these.

Hick's Wildcats were denied entrance in the Civitan Relays, another big North Carolina meet through some small error in sending in the entries.

Stars graduating from the brilliant 'Cats team this year are: Captain Dave Pickard, Louis Evans, Pete Isenhour, Bill Morse, Dave Porter, Alec Copeland, Charlie Helms and Maurice Peabody.

The result of meets held this season follows:

Charlotte, 43; Davidson Frosh, 74.

### Baseball

Although no title winning adjectives can be applied to the Charlotte High baseball team, the Wildcats still came through a fairly good season.

Coach Walter Skidmore took a few lettermen, a bunch of green rookies and completed a season in mediocre style, losing the west district championship of the Western Conference to Gastonia in two straight games.

Captain Cool Beam led his team-mates to wins over Cornelius, Davidson Frosh, Belmont, Forest City and Kings Mountain, while losing to Gastonia, Belmont and Davidson Frosh.

Captain Cool Beam, Dallas Morris, Buck Brady, Wilson Lewith, Howard Beam and Rives King leave this year through graduation.

# **Boxing**

Coaches Pop LeNeave and Jim Belliveau stepped into a band of pugilisticly inclined Charlotte High boys during the month of January and began work to form a boxing team for the Wildcat's sports program. A month later Charlotte High was headed for its first State title in boxing, the first time it had entered a team. A ring was rented, punching bags were bought, uniforms, medicines, and other paraphernalia was obtained the best way possible, since the city school board allowed no appropriation for the sport. The boys began working harder and harder for a meet which had been scheduled with Mt. Holly. The day of the match came. A group of nine boys were taken on the trip to Mt. Holly. All bouts save four were called draws; these were won two each by Mt. Holly and the Wildcats. From then on boxing was on the boom in Charlotte High. Meets were scheduled, teams were met and defeated as the weeks passed. The date of the State Meet at Chapel Hill rolled around. Nine boys were taken from Charlotte. All save one advanced from the first round, Jimmy Jett losing to the finalist last year. The second round passed, Charlotte was leading in points by one and a half, and had to win both bouts in the finals while Wilson High, the defending champion, must lose one.

The final night of the big three came. Bobby Arial, Charlotte

CAPTAIN TAYLOR

The final night of the big three came. Bobby Arial, Charlotte boy, was pitted against the titleholder in the 116-pound class from Durham. He easily won a decision. The next fight, although no local angle was involved, was extremely important to the local coaches. Wilson had to lose this fight or Charlotte would go down by half a point. A tough Raleigh pug won a warm place in the Charlotte team's heart by completing a neat pasting of the Wilson pug. It was then up to Pug Arenson, only other Charlotte finalist, to put the finishing touches on the tournament. He met a tough man from Durham and easily won the title. Charlotte was crowned State Champs with 7½ points to Wilson's 7.

#### TENNIS TEAM

The Charlotte High tennis team closed one of its most successful seasons as Earl Ruth, brilliant No. 1 man fought his way through the State Meet to bring back the singles championship.

The team won seven matches and lost four, those to college teams, and have two more matches to play. The doubles team of Tommy Campbell and Buddy Graham went to the finals, but lost out to Wilmington in a tough match.

#### GOLF TEAM

Charlotte High's golf team put a semi-climax on their brilliant season recently when they finished second in the sixth annual Southern Interscholastic Golf Tournament held here before going to the State Meet the following week. Tech won the tournament with an aggregate team score of 651 to Charlotte's 671. Charlotte captured the State golf title by defeating Winston-Salem at Winston.

## Girls' Athletics

Central's girls participated in a new type of athletics during the 1932-33 season. Miss Effie Lively, director of physical education here, installed with the school's direction, intramurals, involving the three large classes in every sport.

The plan worked out very successful, each class showing much interest in the leagues formed, in playing for titles.

The Sophomore class received a silver loving cup for the best showing as far as the number out for the intramurals. The Senior class won the basketball championship, the Sophomore class the hockey title and the Seniors, baseball.

The entire school took part in a tennis tournament, Thelma Smith winning the title. She defeated a Junior, Dot Messick, after each had gone through a list of some two hundred players.

Awards for the best sportsmanship and most improvement went to members of the Athletic Association under the supervision of Miss Lively.

### SERVICE...

It's so often taken for granted—this marvel electricity—but when we stop to think of what's behind the light switch on the wall that we use continuously, it's astounding the things we see: miles and miles of lines, hundreds of sub-stations, power plants, transformers, and an army of men to see that the electricity is there for your use night and day. Continuous Service—winter and summer—day after day—is yours at the turn of a switch.

### **JOKES**

Stage Hand: "You're surely getting a big applause. What did you tell them?"  J. C.: "I told them that I would not continue my speech until they quieted down."
Some art students can't even draw conclusions.
"Say, Sophie, who yuh shovin'?" "Donno. What's ya name?"
"Pop, when I get older can I go to college?" "Go wash out your mouth, son, and go to bed."
Mr. Ready: "I never told a lie when a boy."  Jr.: "When did you start, father?"
Jane Wiley: "You could make love to a stick." He: "I'm about to think so myself."
"The time will come," said Doc in a speech at teacher's meeting, "when women will men's wages." "Yes." said Mr. Hoyle, "Next Saturday night."
Pittsy: "Your fellow has a new suit." Whiz: "No, he hasn't." Pittsy: "Well, something's different." Whiz: "It's a new fellow."
Dr. Garinger: "Did they get an X-ray of Miss Bertha's jaw at the hospital?"  Doctor: "They tried to but they got a moving picture."

Tingley: "The dog is man's best friend. If you keep a dog there's never anything left for hash.

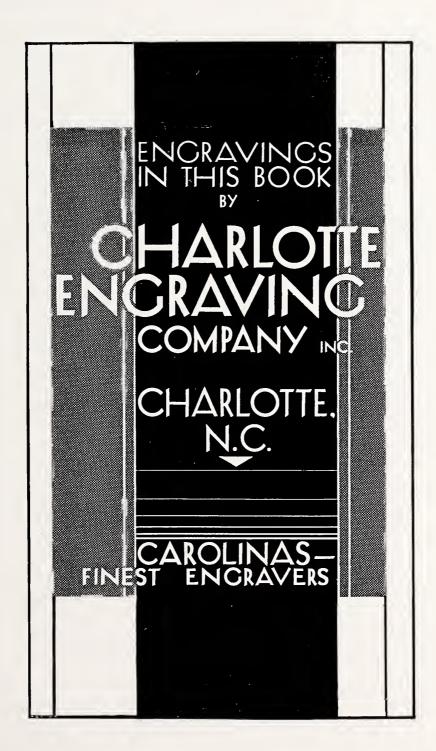

"Pop": "How much are they asking for your apartment rent now?" Prof. Givens: "About twice a day."

First Manufacturer: "Your factory is very well equipped, but you can't hold a candle to the stuff I turn out."

R stuff furn out. Second Manufacturer: "And what do you manufacture?" First Manufacturer: "Gunpowder."

# What is an annual?

- ... to some . . . just another printing order.
- making . . . for an annual is a history of the school for the year in which it is published.

It is made today for its value tomorrow, to bring back to mind the happy memories of school days.

And with a keen appreciation of this future value, coupled with the experience of more than thirty years, we work closely with, and for, the school that the annual may be a complete, interesting history.

It may be next term . . . or a few years away in college . . . but when your thoughts turn to the publication of an annual may we have the opportunity of telling you more of the service we can render.
